Copies of these references are submitted herewith along with Form PTO-1449.

The undersigned hereby certifies that each item of information contained in the information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of the statement.

It is certified that the search report was issued on November 5, 1999, so it is believed no fee is due, but if it is, please charge the cost therefor against Deposit Account No. 14-1263.

The relevance of the listed references is as follows. Each of the references was cited in the Search Report issued by the European Patent Office. A copy of this Search Report is also enclosed. U.S. Patent 5,952,373 is provided as the English equivalent of DE 44 44 238A. Consideration of the foregoing in relation to this application is respectfully requested.

Respectfully submitted,

NORRIS, McLAUGHLIN & MARCUS
